- Only students who are in good standing at the time of the request will be authorized to travel.
- If you are not in good standing (are on probation) you will be sent a letter for re-entry through email after grades are released if you return to good standing.
- If you are not returning to the Language Institute, we cannot authorize you to come back into the country. If you decide to travel to another country after you finish studying, you will not be able to re-enter the US on your student visa.

## Taking an Authorized Break

When a student has completed 9 consecutive months of study s/he is eligible to have a **1-session Authorized Break in study**. The student is allowed to stay inside the U.S. during the break or travel outside the country.

- **In order to take a break, the student must enroll for the session after the break during the pre-enrollment period of the current session.**
- Complete the appropriate forms.
- Pay the **non-refundable \$500 deposit** which will apply to the tuition for the next session.
- **Pay \$438.56 for insurance coverage during the break.**

## Transferring to a New School

When a student **successfully completes** a level (maintains at least a C average, GPA 2.0 or above) at the Language Institute and wants to transfer to another school, there are several steps to complete. Information about transferring is available at the front desk.

- Apply to another program.
- When the student receives an acceptance letter from the new school, student should complete a **Transfer Out Request Form** on [istart.gatech.edu](http://istart.gatech.edu) and upload a copy of the acceptance letter. A student (**with a GPA of a 2.0 or above**) has **60 days** from the last day of the session to complete a transfer to a new school.
- If a student is dismissed from the Language Institute, s/he will be terminated and have only **15 days to transfer**.
- The Language Institute will transfer the student's record in SEVIS **after** the **Acceptance Letter** and the **SEVIS Transfer-In Form** have been received from the new school.
- **It is the student's responsibility to make sure that the Language Institute has all required documents to complete the transfer within the given time frame.**

## Returning Home

- If you would like to return home, you have **60 days** to do so if you successfully completed your program (**GPA 2.0 or above**). You will need to leave the US on or before **October 5, 2021**.
- If you did not successfully complete the session, you have **15 days** to return home and need to leave the U.S. by **August 21, 2021**.

## More Information

If a student is in the U.S. with a completed or terminated SEVIS record, s/he is out of status. In order to remain in the U.S. and study again, reinstatement must be requested by the student to the US Department of Homeland Security. If the request for reinstatement is approved, the student's SEVIS record will be changed back to ACTIVE. Reinstatement costs \$370 and typically takes 3-5 months.
