WHAT STUDENTS SAY

“While at the Language Institute, the cultural exchange I experienced with people from over fifteen different countries gave me a unique and valuable multicultural background. I have learned how to successfully interact and communicate with Americans, and with people from many other countries, which has opened widely my perspective of humanity and world issues.”

— Eduar Tua Lopez, Venezuela

“Until coming to Georgia Tech Language Institute, English had been an unattainable goal. However, at the Language Institute, the instructors always encouraged and consistently corrected my English. At first I couldn’t speak at all, but on my first TOEFL exam, I got 22 points on speaking. Atlanta has an excellent and affordable place to learn English—the Georgia Tech Language Institute.”
