

For your convenience, textbooks may be purchased online or at the [Barnes and Noble bookstore at Georgia Tech](#), which is approximately 3 blocks from the Language Institute at [48 5th St NW, Atlanta, GA 30308](#).

**Important note about books for Grammar 100-600.**

Grammar 100-600 use the version of the book with the online practice platform called MyEnglishLab. The practice tasks that you do in MyEnglishLab are graded, and the grades are available to your teacher, who then includes those grades in your final course grade. These textbooks have several different versions. To purchase the correct text, be sure to use the link provided OR search by the ISBN # provided. Each cover of the required grammar textbooks says MyEnglishLab and looks like the image below.

The publisher has a similar book with the Pearson Practice English App, but that app does NOT allow students to join a class and complete assigned work for a grade.
