Specific Purpose Track Courses – Fall 1 2017

Current Events (for level 500 or 600 or 700)
Are you interested in what’s going on locally, domestically, globally? If you are, this class will help you to improve all your language skills—reading, speaking, listening, and writing—by concentrating on one or more current topics, including ones selected by you and your classmates. You will read newspaper and magazine stories on these topics, listen to and watch news reports, and visit web sites. You will keep a personal blog on the topics that will be used to guide classroom discussion and your projects. As part of the course, you will also learn how to interview and report news events (video), as well as write opinion columns, reviews and feature articles (newsletter). Throughout the course, you will work on editing the news videos you record and, at the end of the course, we will select your best videos and post them onto the Language Institute’s official YouTube channel.

Team Leadership (for level 600 or 700)
In this course, students will develop skills in project management, leadership and team building and use those skills in creating, promoting, recruiting for, and coordinating activities for a student club. Students will work on teams throughout the course and coordinating student clubs at the Language Institute. Through the process of creating and running the club, students will develop and practice the language skills of reading, writing, speaking, and listening.

TOEFL Preparation Plus (for level 500 or 600 or 700)
This course is designed to prepare you for the IBT TOEFL Exam. You will receive an overview of all skills, question types and ample opportunities to practice each skill area. You will also learn tips and strategies for improving your score in each skill area.

Vocabulary Development for Standardized Tests (for level 600 or 700)
Vocabulary acquisition is essential for students to succeed academically and to score well on standardized tests. The purpose of this course will be to enhance your vocabulary knowledge specifically related to test vocabulary and to develop skills for how to answer vocabulary questions on standardized tests. You will be exposed to 400 words that have been researched and found to be most common on standardized tests. You will learn pre-test strategies for how you can acquire vocabulary like by learning parts of speech and homonyms. You will also acquire during-test strategies for how you can answer vocabulary test questions when you know or do not know the word by utilizing context clues and inferences, for example. Lastly, you will increase your awareness of the various types of vocabulary questions.
Traveling
- If you want to be authorized to travel outside the US for the break, complete a Travel Authorization Form on istart.gatech.edu and upload your roundtrip plane ticket. Then bring your I-20 to the front desk. You should complete these steps 5 business days before you need it. You can pick up your I-20 at the front desk within 2-3 business days.
- Only students who are in good standing at the time of the request will be authorized to travel.
- If you are not in good standing (are on probation) you will be sent a letter for re-entry through email after grades are released if you return to good standing.
- If you are not returning to the Language Institute, we cannot authorize you to come back into the country. If you decide to travel to another country after you finish studying you will not be able to re-enter the US on your student visa.

Taking an Authorized Break
When a student has completed 9 consecutive months of study s/he is eligible to have a 1-session Authorized Break in Study. The student is allowed to stay inside the U.S. during the break or travel outside the country.
- In order to take a break, the student must enroll for the session after the break during the pre-enrollment period of the current session.
- Complete the appropriate forms.
- Pay the non-refundable $500 deposit which will apply to the tuition for the next session.
- Pay $354 for insurance coverage during the break.

Transferring to a New School
When a student successfully completes a level (maintains at least a C average, GPA 2.0 or above) at the Language Institute and wants to transfer to another school, there are several steps to complete. Information about transferring is available at the front desk.
- Apply to another program.
- When the student receives an acceptance letter from the new school, student should complete a Transfer Out Request Form on istart.gatech.edu and upload a copy of the acceptance letter. A student (with a GPA of a 2.0 or higher) has 60 days from the last day of the session to complete a transfer to a new school.
- If a student is dismissed from the Language Institute, s/he will be terminated and have only 15 days to transfer.
- The Language Institute will transfer the student’s record in SEVIS after the Acceptance Letter and the Transfer-Out Form have been received.
- It is the student’s responsibility to make sure that the Language Institute has all required documents to complete the transfer within the given time frame.

Returning Home
- If you would like to return home, you have 60 days to do so if you successfully completed your program (GPA 2.0 or above). You will need to leave the US on or before October 3, 2017.
- If you did not successfully complete the session, you have 15 days to return home and need to leave the U.S. by August 19, 2017.

More Information
If a student is in the U.S. with a completed or terminated SEVIS record, s/he is out of status. In order to remain in the U.S. and study again, reinstatement must be requested by the student to the US Department of Homeland Security. If the request for reinstatement is approved, the student’s SEVIS record will be changed back to ACTIVE. Reinstatement costs $370 and typically takes 3-5 months.
