Admissions 101 (for level 600 or 700)

In this course, you will learn about the process of applying to an American University. You will gain a better understanding of how the U.S. higher education system works and how the application process differs depending on the program you are applying to. You will develop your own plan for finding the right program for you and for identifying the steps of the admission process.

American Movies (for level 500, 600 or 700)

In this course, you will look at the American contribution to several film genres. You will start by learning several of the essential elements of film, and then you’ll move on to a close consideration of four film genres. At the end of the class, you and members of your group will remake a scene from a movie to interpret how a particular film uses the elements of a particular genre.

Speaking English Improvisationally (for level 500, 600 or 700)

In order to communicate what you really want to say, you will learn to use appropriate intonation, pausing, and body language. In this class, you will use the tool of improvisation to help you “step into” American culture in a physically dynamic way that will help you cultivate skills for successful effective communication. You will learn to not just use English; you will learn to live the language.

TOEFL Preparation Plus (for level 500 or 600 or 700)

This is a course designed to prepare students for the IBT TOEFL exam. There will be an overview of all skills, question types and ample opportunities to practice each skill area. Also, tips and strategies will be examined for each skill area.
Traveling
- If you want to be authorized to travel outside the US for the break, complete a Travel Authorization Form on istart.gatech.edu and upload your roundtrip plane ticket. Then bring your I-20 to the front desk. You should complete these steps **5 business days** before you need it. You can pick up your I-20 at the front desk within 2-3 business days.
- Only students who are in good standing at the time of the request will be authorized to travel.
- If you are not in good standing (are on probation) you will be sent a letter for re-entry through email after grades are released if you return to good standing.
- If you are not returning to the Language Institute, we cannot authorize you to come back into the country. If you decide to travel to another country after you finish studying you will not be able to re-enter the US on your student visa.

Taking an Authorized Break
When a student has completed 9 consecutive months of study s/he is eligible to have a 1-session Authorized Break in Study. The student is allowed to stay inside the U.S. during the break or travel outside the country.
- In order to take a break, the student must enroll for the session after the break during the pre-enrollment period of the current session.
- Complete the appropriate forms.
- Pay the **non-refundable $500 deposit** which will apply to the tuition for the next session.
- **Pay $419.16 for insurance coverage during the break.**

Transferring to a New School
When a student successfully completes a level (maintains at least a C average, GPA 2.0 or above) at the Language Institute and wants to transfer to another school, there are several steps to complete. Information about transferring is available at the front desk.
- Apply to another program.
- When the student receives an acceptance letter from the new school, student should complete a **Transfer Out Request Form** on istart.gatech.edu and upload a copy of the acceptance letter. A student (with a GPA of a 2.0 or higher) has **60 days** from the last day of the session to complete a transfer to a new school.
- If a student is dismissed from the Language Institute, s/he will be terminated and have only **15 days to transfer**.
- The Language Institute will transfer the student’s record in SEVIS after the Acceptance Letter and the Transfer-Out Form have been received.
- It is the student’s responsibility to make sure that the Language Institute has all required documents to complete the transfer within the given time frame.

Returning Home
- If you would like to return home, you have 60 days to do so if you successfully completed your program (GPA 2.0 or above). You will need to leave the US on or before **September 30, 2019**.
- If you did not successfully complete the session, you have 15 days to return home and need to leave the U.S. by **August 16, 2019**.

More Information
If a student is in the U.S. with a completed or terminated SEVIS record, s/he is out of status. In order to remain in the U.S. and study again, reinstatement must be requested by the student to the US Department of Homeland Security. If the request for reinstatement is approved, the student’s SEVIS record will be changed back to ACTIVE. Reinstatement costs $370 and typically takes 3-5 months.
